

Employee Handbook

Comprehensive Guide to Policies, Benefits, and Workplace Standards

Human Resources Department

Version 3.2 | Effective January 1, 2026 | Approved by CEO & CHRO

1. Company Overview

TechViet Solutions Joint Stock Company ("TechViet") was founded in 2018 and is headquartered in District 7, Ho Chi Minh City, Vietnam. We are a technology company specializing in enterprise software development, cloud infrastructure consulting, artificial intelligence solutions, and data engineering services. As of January 2026, TechViet employs 458 full-time staff and 32 long-term contractors across three offices in Ho Chi Minh City (headquarters, 320 staff), Hanoi (95 staff), and Da Nang (75 staff).

Our client portfolio includes 45 active enterprise accounts spanning banking and financial services (VietBank, FinServe VN, MekongPay), healthcare (SaigonHealth, MediCare Plus), logistics and supply chain (VNLogistics, TransViet), retail and e-commerce (MegaMart, ShopNow), energy (PetroVN, GreenEnergy Corp), and government (GovTech VN, Ministry of Digital Transformation). Our annual revenue for FY2025 was approximately USD 18.2 million, representing 28% year-over-year growth.

1.1 Mission, Vision, and Core Values

Our mission is to empower businesses across Southeast Asia through innovative, reliable, and scalable technology solutions. Our vision is to become the leading technology partner in the ASEAN region by 2030, recognized for technical excellence, client success, and engineering culture.

Core Value	What It Means in Practice
Innovation First	We dedicate 15% of engineering time to experimentation. Every team runs at least one innovation sprint per quarter. Failed experiments are celebrated if they produce learning.
Client Success	We measure ourselves by client outcomes, not deliverables. Account health reviews happen monthly. Every engineer spends at least one day per quarter shadowing client operations.
Integrity & Transparency	We share bad news early. Project status reports are honest, not optimistic. We never misrepresent capabilities to win deals. All code reviews are frank and constructive.
Collaboration	Cross-functional squads are our default org structure. Knowledge hoarding is a performance issue. We document decisions and share context proactively.
Continuous Learning	Every employee has a VND 15M annual learning budget. We run internal tech talks weekly. Senior engineers are expected to mentor at least one junior colleague.

1.2 Organizational Structure

Department	Head	Headcount	Key Responsibilities
Engineering	Le Van Hung (VP)	255	Product development, platform engineering, DevOps, QA
AI & Data Science	Dr. Tran Minh Khoa	52	ML models, data pipelines, AI product features, research
Product Management	Nguyen Thi Hanh	18	Roadmaps, requirements, client discovery, prioritization
Design (UI/UX)	Do Thanh Tam	18	User research, interaction design, design systems
Sales & Partnerships	Hoang Duc Anh	25	Business development, account management, proposals

Department	Head	Headcount	Key Responsibilities
People & Culture (HR)	Nguyen Thi Mai	22	Recruitment, L&D;, compensation, employee experience
Finance & Operations	Vo Minh Tuan	20	Accounting, procurement, legal, office management
IT & Security	Le Hoang Nam (CISO)	28	Infrastructure, security operations, compliance, IT support
Executive Office	Dr. Pham Quang Minh (CEO)	5	Strategy, governance, investor relations

2. Employment Policies

2.1 Working Hours and Flexibility

Standard working hours are Monday through Friday, 8:30 AM to 5:30 PM (ICT), with a one-hour lunch break from 12:00 PM to 1:00 PM. TechViet observes a 40-hour work week in compliance with the Vietnamese Labor Code 2019 (Law No. 45/2019/QH14). Overtime must be pre-approved by the department head and is compensated at the rates mandated by law (150% for weekdays, 200% for weekends, 300% for public holidays).

TechViet offers a hybrid work model for eligible positions. Remote work is permitted up to 2 days per week, subject to team agreements and manager approval. During remote days, employees must be reachable during core hours (10:00 AM — 4:00 PM ICT) via Slack and Google Meet. Certain roles (office management, hardware IT support, reception) are not eligible for remote work. Teams in active client-facing delivery phases may temporarily require full in-office presence with 2 weeks' notice.

A 4-day work week pilot program ran from January to March 2026 with 3 volunteer teams (42 employees). Preliminary results showed maintained productivity with improved employee satisfaction scores. HR is analyzing full results for presentation at the April all-hands meeting.

2.2 Leave Entitlements

Leave Type	Entitlement	Carry Over	Conditions & Notes
Annual Leave	15 days/year	Max 5 days to following year	Accrued monthly (1.25 days/month). Usable after 6-month probation. For employees with 5+ years tenure: 16 days. 10+ years: 18 days.
Sick Leave	10 days/year (paid)	No carry over	Medical certificate from licensed physician required for absences of 3+ consecutive days. First 2 days may be self-certified.
Personal Leave	3 days/year	No carry over	For personal emergencies, family events (weddings, funerals), or urgent household matters. Manager notification required by 9 AM.
Maternity Leave	6 months (180 days)	N/A	Per Vietnamese Labor Code Article 139. Full salary paid by social insurance. Additional 1 month for multiple births.
Paternity Leave	7 days (paid)	N/A	Must be taken within 30 days of child's birth. Applies to legal father or same-sex partner (TechViet policy, exceeding legal minimum).
Bereavement Leave	3-5 days (paid)	N/A	3 days for immediate family (parents, spouse, children). 5 days if travel to another province is required. 1 day for extended family.
Study/Exam Leave	5 days/year	No carry over	For approved professional certifications and examinations. Must submit certification plan to manager 30 days in advance.
Marriage Leave	3 days (paid)	N/A	For the employee's own wedding. 1 day for child's wedding. Per Labor Code Article 115.
Unpaid Leave	Up to 30 days/year	N/A	Requires VP approval. Benefits continue for first 15 days. Extended unpaid leave (30+ days) requires CHRO approval.

Leave requests must be submitted through the TechViet HR Portal (hr.techviet.vn) at least 3 business days in advance for planned absences. For urgent/emergency leave, employees must notify their direct supervisor by phone or Slack before 9:00 AM on the first day of absence and submit the formal request within 24 hours. Unapproved absences will be treated as unauthorized leave and may affect performance evaluations.

2.3 Public Holidays (2026)

Holiday	Date(s) in 2026	Days Off	Notes
New Year's Day	January 1 (Thursday)	1	If falls on weekend, following Monday is off
Lunar New Year (Tet)	January 26 — January 30	5	Office closed Jan 24 — Feb 2 (including weekends). Exact dates follow government announcement.
Hung Kings' Commemoration	April 6 (Monday)	1	10th day of 3rd lunar month
Reunification Day	April 30 (Thursday)	1	Bridge day policy: if Thu/Tue, company may grant Fri/Mon off (announced annually)
International Labour Day	May 1 (Friday)	1	Combined with Reunification Day for potential 4-day weekend
National Day	September 2-3 (Wed-Thu)	2	Per Decree 145/2024: Sep 2 + 1 additional day

3. Compensation and Benefits

3.1 Salary Structure and Career Ladder

TechViet operates a market-competitive salary structure benchmarked annually against the top 25th percentile of the Vietnamese IT industry using data from Mercer, Robert Walters, and TopDev salary surveys. Salaries are reviewed during the annual Performance Review Cycle (December) with adjustments effective January 1. All salaries are paid on the last business day of each month via bank transfer to the employee's registered account.

Level	Title Examples	Monthly Gross (VND)	Typical Experience	Annual Bonus Target
L1	Junior Engineer, Associate Designer, Analyst	15,000,000 — 25,000,000	0-2 years	1.0 month salary
L2	Mid-level Engineer, Specialist, Senior Analyst	25,000,000 — 40,000,000	2-5 years	1.5 months salary
L3	Senior Engineer, Lead Designer, Senior PM	40,000,000 — 60,000,000	5-8 years	2.0 months salary
L4	Principal Engineer, Engineering Manager, Director	60,000,000 — 85,000,000	8-12 years	2.5 months salary
L5	Distinguished Engineer, VP, Senior Director	85,000,000 — 130,000,000	12+ years	3.0 months salary
L6	CTO, CEO, C-Suite Executives	130,000,000+	Per contract	Per executive agreement

The 13th-month salary (Tet bonus) is mandatory under Vietnamese law and paid in full in the January payroll. The performance-based bonus above is in addition to the 13th-month salary. Bonus payouts are tied to both individual performance ratings and company financial performance, with a company multiplier ranging from 0.8x to 1.2x applied to individual bonus targets.

3.2 Benefits Package

Benefit	Details	Eligibility
Health Insurance	Premium plan (PVI Insurance) covering employee + up to 2 dependents. Includes inpatient, outpatient, and emergency coverage up to VND 500M/year. Dental (VND 10M/year) and vision (VND 5M/year) included for L3+.	All FTE after probation
Life Insurance	Coverage equal to 24x monthly gross salary. Accidental death & dismemberment: 48x monthly salary.	All FTE
Lunch Allowance	VND 50,000/working day loaded onto meal card (Sodexo). Valid at 200+ partner restaurants near each office.	All FTE
Transportation	VND 1,000,000/month parking or commuting allowance. Electric vehicle charging available at HCM office (free).	All FTE
Learning & Development	VND 15,000,000/year for courses, conferences, certifications, and books. Pre-approval required for amounts >VND 5M. Conference travel covered separately per travel policy.	All FTE
Gym & Wellness	50% subsidy on gym membership at partner fitness centers (California Fitness, Elite Fitness). Annual health checkup at premium clinic (fully covered).	All FTE
Employee Stock Option Plan	ESOP available for L3+ employees after 2 years of continuous service. 4-year vesting with 1-year cliff. Pool size: 5% of total equity.	L3+ after 2 years
Equipment	Company-issued laptop (MacBook Pro 14" or Dell XPS 15, refreshed every 3 years). External monitor (27" 4K) and ergonomic accessories provided. WFH setup allowance: VND 5,000,000 one-time.	All FTE

Benefit	Details	Eligibility
Relocation Assistance	VND 20,000,000 relocation package for employees transferring between offices. Includes 1 month temporary housing.	Inter-office transfers
Referral Bonus	VND 10,000,000 for successful engineering referrals (paid after 3-month probation of referred employee). VND 5,000,000 for non-engineering roles.	All employees

4. Performance Management

TechViet uses a combination of OKRs (Objectives and Key Results) for goal-setting and a calibrated performance review process for evaluation. The system is designed to be fair, transparent, and growth-oriented. Performance data directly influences compensation adjustments, bonus payouts, promotion decisions, and learning & development investments.

4.1 Performance Cycle

Phase	Timing	Activities	Participants
Goal Setting	January (Q1) and July (Q3)	Set 3-5 OKRs aligned with team and company goals. Include at least 1 growth/learning objective.	Employee + Manager
Continuous Feedback	Ongoing (minimum monthly)	1-on-1 meetings, peer feedback via Culture Amp, project retrospectives. Managers document notable contributions and areas for growth.	Employee + Manager + Peers
Mid-Year Check-in	June	Formal progress review. Adjust OKRs if business priorities shifted. Identify blockers and support needed. Not rated.	Employee + Manager
Annual Review	December	Comprehensive evaluation against OKRs. Self-assessment, manager assessment, and 360 peer feedback (minimum 3 peers). Performance rating assigned.	Employee + Manager + Peers + HR
Calibration	Late December	Department heads review all ratings to ensure consistency and reduce bias. HR facilitates cross-department calibration.	Department Heads + HR
Outcome Communication	January	Ratings, compensation adjustments, and development plans communicated in 1-on-1. Appeal process available.	Employee + Manager

4.2 Performance Rating Scale

Rating	Label	Description	Salary Adj.	Bonus Mult.	Distribution Guide
5	Exceptional	Consistently exceeds all expectations. Recognized impact beyond own team. Role model for others.	12-18%	1.5x	~5% of employees
4	Exceeds Expectations	Frequently delivers above expectations. Takes initiative on complex challenges. Strong peer feedback.	8-12%	1.25x	~20% of employees
3	Meets Expectations	Reliably delivers quality work. Meets all OKRs. Solid contributor to team goals.	5-8%	1.0x	~55% of employees
2	Developing	Partially meets expectations. Specific areas need improvement. Performance Improvement Plan (PIP) if consecutive.	0-3%	0.5x	~15% of employees
1	Below Expectations	Consistently fails to meet core expectations. Immediate PIP required. If no improvement in 90 days, may lead to separation.	0%	0x	~5% of employees

Distribution guides are targets, not quotas. In exceptional years, distributions may skew higher. However, managers must justify deviations greater than 10 percentage points from the guide. All rating 1 and rating 5 decisions require VP-level approval and HR review.

5. Code of Conduct

All employees, contractors, and temporary staff are expected to uphold TechViet's ethical standards and professional conduct at all times, whether in the office, at client sites, at company events, or in any context where they represent TechViet.

5.1 Anti-Harassment and Inclusion

TechViet maintains a zero-tolerance policy toward harassment, discrimination, bullying, and retaliation in any form — including verbal, physical, visual, and digital. This applies regardless of the individuals' positions or seniority. Protected

categories include but are not limited to: gender, gender identity, sexual orientation, ethnicity, religion, age, disability, marital status, and pregnancy status.

Reports can be made to your manager, HR Business Partner, or anonymously via the Ethics Hotline (ethics@techviet.vn or ext. 999). All reports are investigated within 5 business days. Retaliation against anyone who reports a concern in good faith is itself a terminable offense.

5.2 Confidentiality and Intellectual Property

All employees sign a Non-Disclosure Agreement (NDA) and an Intellectual Property Assignment Agreement upon joining. The NDA covers all confidential information including client data, trade secrets, business strategies, unreleased products, and internal financial information. The NDA remains in effect for 24 months after separation from TechViet.

Any invention, design, code, or creative work produced during employment and related to TechViet's business is the property of TechViet. Personal open-source contributions are encouraged but must not use TechViet proprietary code or client data. Employees must disclose any potential conflicts of interest, including consulting arrangements, board memberships, or significant financial interests in competitors or clients.

5.3 Disciplinary Process

Step	Action	Duration	Documentation
1. Verbal Warning	Manager discusses concern with employee. Clear expectations set.	Immediate	Manager's notes (shared with employee)
2. Written Warning	Formal letter detailing the issue, expected improvement, and timeline. Copy to HR.	30-day review period	HR file; signed acknowledgment
3. Final Warning / PIP	Performance Improvement Plan with specific, measurable goals. Weekly check-ins.	60-90 days	PIP document; weekly progress notes
4. Termination	If no improvement after PIP, employment may be terminated per Labor Code procedures.	Per legal requirements	Full documentation package; HR review

Gross misconduct (theft, fraud, violence, data breach, substance abuse at work) may result in immediate termination without progression through the above steps, subject to investigation and Labor Code requirements.
